Further Particulars

1. Buckshi Siva Rau died in the month of December 1864.

2. The foregoing debts have been discharged by Parvati Bayee the wife of the late Buckshi Siva Rau between the years 1869–1873 by means of a loan borrowed from Mahadevapur Appu Rau and others.

3. In the year 1874 Parvati Bayi on account of the pressing demand of Appu Rau and others borrowed the amount from Regimentdar Lukshmana Rau and paid them off.

4. But in the year 1874 Regimentdar Lukshmana Rau demanded his money very urgently so that Parvati Bayee had to borrow from Sawkar

venachamarayya's son Mr. Varaha-
-mma Pandit by the mortgage of
her husband's Inam villages and
pay. Regnient dar Lakshmana Rau
5 Smt. Vardhemana Pandit in his turn
grew very pressing and harsh so tha
Parvati Bayee had to sell her hus-
band's Jahagir to Resaldar Ra-
ma Rau for Rs 16000 and satisfy
her creditors.

6 Resaldar Rama Rau in order to buy
the said Jahagir had to take on
his own villages loan to raise the
loan of Rs 16000 from the said Sau
Linnappah. All the papers. docu
-ments. references &c in connection
with this transaction are at presen
left with Sowkar Linnappah
for his own satisfaction and your
honor may be convinced of it by
personal inspection.

Smt. Rama Rau himself has

to pay all the interest out of the in-
come of his villages and also many
unfavourable circumstances to
supply the family bread with.
Moreover he has had to perform the
marriages of his sons and daughters
for which had to fall back upon
the income of his Jahagirs. These
and other unavoidable and yet
reasonable expenses cannot fail
to convince your honour
how the debt has grown in Rama-
Rao's own hands.

In sanctioning the loan in 1893 the Govt laid down that the net Annual revenue received each year from the Villages, to the extent of Rs 2200 should be applied first towards the interest on the loan and the balance towards the reduction of the loan and the Dy Comr was directed to take the needful action to carryout this instruction. In the agreement it was accordingly stipulated that the Debtor should place his Villages under Govt management. It is now reported that in 1894 mr Rama Rau in spite of the condition in the agreement asked for permission to manage his own Village and this permission was given by the then Dy Comr. Such a relaxation of one of the material terms of the agreement, on which the punctual repayment of the loan depended should not have been made by the Dy Comr on his own responsibility. mr Rama Rau says he has no objection to place the Villages under Govt management now and requests he may be given an additional loan of Rs 5000 on the security of the Villages already mortgaged to Govt or of-ferred, he says he is prepared to mortgage some more property of his. No: 99 of the 27.7.06.
Reports that the lands referred to by Mr Rama Rao are estimated at Rs: 6000.

This information was Called for in Connx with the additional loan of Rs: 5000 applied for by Mr Imsaheb Rama Rao in 1902. The additional loan was applied for on the Security of these Banner lands. But, as may be seen from the Amildar's remarks, these lands are no longer Mr Rama Rao's, they having been Sold away to others. Neither Mr Rama Rao nor the Dy Comr Seems to have pressed for this fresh loan since october 1904.

Such to be taken under disposal

The other villages Secured by Govt are under the management of Govt since Nov 1904. and the original loan of Rs: 25000 Stood reduced in the Bonds's books to Rs: 15,221-9-0 at the end of 1904-5.

for an additional loan of Rs 5000 on the Security of his lands in the Bannu Village or for being permitted to withhold the payment of the annual instalments for 3 years, so that he may discharge his other debts. The Consideration of this question has been unnecessarily put off on the score of the existence of some discrepancy between the Dy Commr's & the Comptr's accounts of the loan already Mauled by Mr Donnachan -

As regards his first alternative request, the lands in Bannu offered as Security are reported to be worth about Rs 6000 but the Assistant says that Mr. Donnachan is not the owner of these lands now - the grant of the additional loan on the Security of these lands is therefore out of the question

As regards his second request his mortgaged Villages have since been are now taken under Govt management & the net income is being taken towards the interest & instalment

Respected Sir

9714-91 (1)

The undersigned begs leave to state that in the month of July 1889 the Dewan had instituted proceedings for the restitution of encumbered estates of ancient and respectable families which had rendered meritorious services to the Mysore State. That accordingly he had ordered a loan to be given to the undersigned as early as the months of October 1891. Unfortunately the order is not executed as yet. The undersigned had personally submitted a petition to you along with copies of the important papers relating to this affair. He has been trying with much difficulty to pacify his creditors with the hope of getting the said loan. The unaccountable delay that has happened has given them fresh cause to be very pressing and persecuting. The undersigned honour and good name is now at stake and he hopes that you would kindly graciously succour and help him to keep it unstained. In the circumstances he begs permission to entreat you to send an order to the said effect as soon as possible and oblige

A statement shewing the debts incurred by the late Bukshi Siva Rao

Rs 6821-1-0 Borrowed from Rama Rao, Lutchman Rao and Siva Rao, the sons of the late Mothikhana Gumasta Ambaje Rao at the rate of 14 annas in the year 1864 and 1865 Corresponding to the Hindu year Raethachi. The bond executed on ordinary Country-paper. Principal Rs 4500. Interest thereon Rs 2321, on the mostgage of the village of Kalahalli.

Rs 6162-8-0 Borrowed from the late Regimentdar Hanumantalas Reference to be formed in an entry in the handwriting of the late Siva Rao himself. After some deductions soon after the death of Regimentdar Hanumantalu the principal amounts to Rs 5000 and the interest Rs 1012-8-0. In the year 1873 Regimentdar Hanumanta Rao's third son Rama Rao filed a suit which

has cost Rs 150. For reference
see the account book and also
a statement in connection with
the above transaction.

Borrowed from Sawkar Rs 3500
Mothikhana Simmuppa. The
interest has been paid from
the salary every month. Subsequently
the principal too has been discharged
Reference to be found in Simmuppa's
household daily account book.

Total Rs. 16483-9-0

Further particulars

1. Bakshi Siva Rao died
in the month of December 1864

2. The foregoing debts have
been discharged by Parvati Ba,
the wife of the late Bakshi
Siva Rao between the years
1869 and 1873 by a loan
borrowed from Mahadevapur
Appu Rao and others.

3. In the year 1874 Parvati.
Bayi on account of the pressing

demand of Appa Rao and others borrowed the amount from regimentadar Lakshmanrao and paid their debts.

4 But in the year 1671

Regimentadar Lakshmanrao demanded his money very urgently so that Parvati Bayi had to borrow from Denachandra son Mr Vardhamana Pandit by the mortgage of her husband Inam villages and pay Lakshmanrao.

Mr. Vardhamana Pandit in his turn grew very pressing and harsh so that Parvati Bayi had to sell her husband's Jahagir to Rezaldar Ramakrao for Rs 16000 and satisfy her Creditors.

Rezaldar Ramakrao

der to buy the said Jahagir had to tack on his own villages so as

to be enabled to raise a loan of Rs 16000 from the said Mothikhana Sawkar Sinnappah. All the papers, documents, references &c in connection with this transaction are at present left with Sawkar Sinnappah for his own satisfaction and your Honour may be convinced of it by personal inspection. Mr Rama Rao himself has had to pay all the interest out of the income of the villages and also under unfavourable circumstances to supply the family bread with it. Moreover he has had to perform the marriages of his sons and daughters for which he had to fall back upon the income of his jahagir. These and other unavoidable and yet reasonable expenses cannot fail to convince your Honour how the debt has grown in Rama Rao's own hands.

Most Honored Sir

In accordance with your Proceedings of June 1887-89 for the purpose of relieving the encumbered estates of old and respectable families which had rendered praise worthy services to the Supreme Government. I personally paid my respects to you and placed before you all the details of the debts. I was thereafter directed by you to go and see the Deputy Commissioner of this District and speak to him about these things And if he was pleased to report favourably of the matter I was favoured with the promise that an order would be sent to him and the required amount of money would be paid
I saw the Deputy Commissioner twice or thrice and showed him all the papers and gave him every satisfaction in accordance with your commanded. I waited very anxiously for your order but unfortunately it never came

Now my creditors are growing very cruel and insolent. They want to bring me into disgrace and Contempt. I can hardly stay in this place Unless I give some trouble and entreat you even to cause annoyance I have no means of making my difficulty understood and I hope that you will pardon me.

P. T. O.

I look upon you as the saviour of myself and family and beg you prayerfully to save my honor and family at this crisis by sending the orders as soon as possible With my best prayers for your long life and family

In reply to your docket No 4100/113 dated 4 June 1892, in re loan applied for by Musalidi Ramathow Jaghirdar of Kanémur &c I have the honor to submit herewith the reports noted in the margin received from the 3rd Special Assistant Commissioner to whom the papers had been referred for a full enquiry into the debts &c of the Jaghirdar's family together with the exhibits marked A, B and C and other papers and the enclosures required with the above as per Tarist. It appears from the report that the petitioner Ramathow's own Jaghir

villages and his house in the Fort, Allypoie, are themselves a sufficient security for the loan applied for, and it seems to me that at the worst his brother in Sivathow's Jaghir villages will be liable for the amount of Sivathow's debts paid by his widow and latterly discharged on her account by Ramathow.

2. The enquiry would have been more complete but for the absence of Parvati Boyee (Siva Row's widow) on pilgrimage, but as it is not known when she is to return, I have preferred not to delay the report for her examination.

Sir,

I am returning the papers received with your Memo No 518 dated 11th June 1892 asking for enquiry and report, concerning the debt of Ressaldar Rama Rao, alleged to be due to him by Sivaba Rao of the village of Sivaba Rao. The petitioner Ramachandra Rao says that he has written to Mr Mathikanay Pinapah who says that he cannot produce them unless ordered by a Competent Court. I beg to know under what provision he must be summoned to produce the documents concerning the debt. The petitioner has given in his petition that he has relative rights for the debt due by Sivaba Rao and that he is entitled to a share in the debt due by Sivaba Rao's daughter and

and grandson who are now in J.

The late Buckshi Sivarow's widow has gone on pilgrimage to Ramayeswara and the information called for in the Chief Secys Docket cannot be ascertained now

STATE OF MYSORE

The 3rd Genl Asst Commissioner
Mysore District

To

The Deputy Commissioner
Mysore District

Sir,

With reference to your Docket No 770 of the 14th Instant asking me to submit a final report regarding the loan asked for by Moosahib Rama Rao, I have the honor to state as follows.

1. Mr Rama Rao asks for a loan of 22,000/ Rupees on the security of his own Jahagir and that which he has purchased from his brother's widow. These properties would no doubt be a sufficient security for the sum to be advanced.

2 Mr Rama Rao has borrowed 17,000/ Rs from Santhara jah to purchase his late brothers estates, which were encumbered with debts. The petitioner alleges that he purchased these Jahagirs which were given to his Ancestors for meritorious war Services with the sole object of saving them from passing into

into the hands of Strangers. He has contracted another debt of 2300/ Rupees hypothecating his house.

3. It is alleged that the late Bakoli Siva Rao (Rama Rao's brother) had contracted large debts and that his widow Parvati Boyee borrowed from several persons loans on the hypothecation of the villages, from time to time and at last sold his estates to Rama Row, to clear these debts. The Hindu widow is only a limited owner of her husband's property and could not alienate it except under special circumstances. The deceased owners daughter's sons seem to dispute this alienation, and it therefore becomes necessary to enquire into the debts left by him.

4. The Govt want a full enquiry to be made into the debts left by Siva Rao and that a statement should be submitted, showing how the debts of the deceased & his widow arose from time to time with dates, natures of papers and payees and Vouchers &c.

5. - The petitioner has produced 3

documents

document to show the particulars of the debts contracted by Siva Rao which have been marked A. B. & C. Exhibit A evidences a loan of 4500 Rs. obtained by Siva Rao from Anbaji Rao's sons on the security of his Jahagir, in the year Raktakshi (1864-65). Siva Rao did not clear this debt in his lifetime. The entries made in this document show that his widow, made payments every year towards the interest and part of principal money and that this debt was finally discharged by her in the year 1869-70.

6. B. is the copy of the account book kept by Regimentdar Hanumanta Rao. This book shows the transactions between Siva Rao and the Regimentdar. The entries in this book date as far back as the year Virodhikrutu (1851-52). These accounts were settled from time to time and the last entry which is dated 7 Palguna Bahula of Durmati year (1861-62) shows Rupees 4496-4-0 as being due from Siva Rao. But it could not be ascertained when or when this debt was cleared.

7. The other document 'C' is the copy of

of a receipt obtained by Parvati Boyee for Rs. 1012-8-0 being the interest payable by her to Regunnatha Rao's sons for the debt mentioned in para 6 His receipt is dated 3-6-73.

8. Parvati Boyee seems to have cleared the debt of 5000 + odd Rupees which Siva Rao had borrowed from Hanmanta Rao. Mr. Chintamani Rao (Hanmanta Rao's son) also admits that it was Parvati Boyee who cleared the above debt due to his father. The above are the only documents which the Petitioner was able to produce to show the particulars of Siva Rao's debt. It is clear from these, that Parvati Boye cleared one debt of 4 thousand + odd Rs. due by her husband to Ambaji Rao's son's + another of nearly 5000 Rs. due to Hanmanta Rao. The petitioner alleges that Parvati Boyee to clear the above debts contracted successive debts from several persons (such as Appoo Row, Regimentary Lukshuman Row, Dinachan-draya + co.) at different times. He himself is not able to give the particulars of these debts + adds that some

of

of the bonds came to Lakshmana Rao
possession who retained them, without
returning to Parvati Boye. Thus it
will be seen that it is not possible
from the references produced by
petitioner to trace Parvati Boye's own
debts unless she herself is examined.

9. The petitioner wants the loan to
be advanced on the security of his own
Jahagirs (which yield a revenue of 1800 Rs)
& his own house in the Fort worth about
2500 Rupees besides the villages he has
purchased from Parvati Boye.
His own Jahagirs which are now hy-
pothicated to Santaraj Jayal and which
have no other encumbrances on them,
and the house, will I think be a sufficient
security for the sum to be advanced.

10. From the above documents it
is clear that the major portion of the
debt namely Rs 9000 + odds had been
incurred by the late Buchobi. With
regard to the remaining amount it is
impossible to ascertain the exact
information as Parvati Boye is
away on pilgrimage.

11. The time of Parvati Boya's return from Rameswaram is not definitely known and I regret to state that I have not been able to give the information wanted by Govt. & beg to submit the above report, as requested, by you without waiting for Parvati Boya's return -

GOVERNMENT OF MYSORE

No. 698

Most Honored Sir,

In accordance with your Proceedings of June 1887-89 for the purpose of relieving the encumbered estates of old and respectable families which had rendered praiseworthy services to the Mysore government I personally paid my respects to you and placed before you all the details of the debts. I was thereafter directed by you to go and see the Deputy Commissioner of this district and speak to him about these things. And if he was pleased to report favourably of the matter I was favoured with the promise that an order would be sent to him and the required amount of money would be paid.

I saw the Deputy Commissioner twice or thrice and showed him all the papers and gave him every satisfaction in accordance with your Commands OK. I waited very anxiously for your order but

but unfortunately it never came.

Now my creditors are growing very cruel and insolent They want to bring me into disgrace and contempt. I can hardly stay in this place Unless I give some trouble and entreat you. even to cause annoyance I have no means of making my difficulty understood and I hope that you will pardon me. I look upon you as the saviour of myself and family and I beg you prayerfully to save my honor and family at this crisis by sending the orders as soon as possible. With my best prayers for your long life and family

I have the honor
to remain most

Respected Sir,

The Undersigned begs leave to state that in the month of July 1889 the Dewan had instituted proceedings for the restitution of encumbered Estates of ancient and respectable families which had rendered meritorious services to the Mysore State. And accordingly he had ordered a loan to be given to the undersigned as early as the month of October 1891 Unfortunately the order is not executed as yet. The undersigned had personally submitted a petition to you along with copies of the important papers relating to this affair. He has been trying with much difficulty to pacify his creditors with the hope of getting the said loan. The unaccountable delay that has happened has given them fresh cause to be very pressing and persecuting. The Undersigned's honor and good name is now at stake and he hopes that you

you would kindly and mercifully succour and help him to keep it sustained. In conclusion he begs permission to entreat you to send in order to the said effect as soon as possible and save him and his family.

The undersigned begs to remain. Respected Sir, your most obedient and humble servant.

Memo

The proceedings of the Durbar of Mysore dated 7-6-89.

3. For the relief of old & respectable of the families of Dewan & Mahadevapur families which have done meritorious services to the Mysore Government, and which have acquired fame under British Government as well and which are now encumbered with heavy debts & who are reduced to advantageous circumstances. Their annual pleasure including gratuities at the rate of 5 P.C per annum.

2. Explanation for the supposed claims of the Dobitra which may stand in the way of the boon being granted

The first grandson, being the son of the late Mahadeva Krishna Row Assistant Commissioner is according to the Hindu Law only heir to the property of the said Krishna Row and has no claim to the property of Siva Row.

The second grandson, the grandson who had given a petition tendering his claims on the property

of said late Siva Rau was borrowing after Parvati Bayi had sent the Mohenty to Rama Rau and the said 2nd grandson is now dead and gone. And so there is no difficulty whatever with regard to the claims.

3. The grant of the said Jahagirs being the reward for victory in a battle fought, as is known to Rajaba- Rodaji, [illegible] Rau and Radhan Rau made the grant of the said lands and Rama Rau divided the Jahagirs for the satisfaction of discharging the debts incurred by the said Jahagirs. As Sahiba continuously has a better claim than the deceased Siva Rau's own brother, Radha Rau

5. The debts which Siva Rau had incurred at the time of his death

682 Borrowed from the late Mathikana Guna

Rs 6/62-8-4 Being the amount borrowed from Regimental dues Ramanatha Row Of this something has been remitted by the three sons of Ramanatha Row after his death and the rest has been duly paid to them. As a voucher for this there is a book in Siva Rows own handwriting and a Sunjayishi Pattigai for inspection

Rs 3500-- The amount borrowed from Mothikanna Lakshmanah. The interest on this sum was paid every month from Siva Rows own pay and the principal also has been lately duly paid.

Sivaji Rows bond Rama Row, Lakshman Row and Siva Row, at the rate 12 annas per cent per annum. In the 1864-65 corresponding to the Hindu year Raktakshi Chaitra Sudha 3 the principal Rs 4500 and the interest thereon Rs 2,321 has been paid and the deed for the same on a rough country paper is ready for inspection

6. Reasons why there need be no fear on the part of the Govt to grant the loan asked for

1. The debt has been incurred long before the Dowlitra opened his eyes by the Siva Row
The Jahagirs have been sold to the present claimant for the discharge of this debt incurred on them

2. The loan of Rs 22,000 which I ask for can be granted on the pledge of the Jahagirs I have purchased, and Rs 11,000 can be given on Jahagirs which are free from encumbrances whatever. The Government may enquire into the claims of Dowlitra or any other body may be established to the Jahagirs which I have purchased. Even supposing that case Siva Row's debt of 16,000 Rs may be discharged by means of the Jahagirs I have purchased. The Government will deduct the Rs 16,000 it has advanced on them, from the Dowlitra's principal interest his grandfather Siva Row's debt. In the meanwhile Siva Row's debt has been cleared out of the Dowlitra's money, Government will be pleased to give me any balance that may remain from

Of the following villages: 1 Kadalkatte
2 Kallahalli 3 Hatwalla 4 Kandemun
5 Mandahalli per annum Rs 4099.

Out of this Rs 1948 have to be deducted
for Devadaya & Brahmadaya Lands &
other Lands of Saints, The Net annual
income being Rs 2350 Since the Survey
Settlement has not been introduced into
these villages there is a fair chance of increa
in the income.

2. Rama Rao asks for a loan of Rs 22,00
out of the net annual income of Rs 2,350
Rs Rs Rs could be paid towards the
interest at the rate of 5 P.C. per annum
and a sum of Rs 1,200 could be paid towards
the liquidation of the principal. And the
interest is considerably reduced year by year
the amount of the sum that could be
paid towards the principal is likewise
increased. A Statement showing the amount

The Jahagirs has been forwarded herewith

have been both duly

money. If even then something yet remains
to be paid for Siva Rao's debt then the remainder
may be realised from the income of my
own jahagirs And when both the dues on
my own jahagirs and on that of Siva Rao
have been fully paid to the Government
the Government will be pleased to hand
over my own jahagirs to me if the Subhedar

A Scheme for the relief of encumbered Jaghirs orequally granted in recognition of Valuable Services rendered to the State

I the late Regimentdar Lakamon Roa made a deathbed request that some advance of money might be given to his family without interest on the Security of his Jaghire to clear off Certain encumbrances. The family deserves some help from Government by reason of the eminent Services of its members in recognition of which his Jaghire was granted by His Highness the late Maharaja. Similar help may be extended to other members of the family - i.e to Rama Roa Lakhmen Roa's brother and Rama Roa of Mahadeshpur (Lakmana Roas nephew) and Venkt Grand Son of Rama Roa who was Dewan after Purnaya. The family is an important one not only to Purnaya perhaps and deserves entitled to the Special protection of the Government I do not for a moment recommend that any thing should be done which can be consi[dered]

this - The Evil has existed in all these families more or less, owing to various causes - The yellandoor pasture has been saved by the interference of Sir Mark Cubbon and the recent legislation of your Highness; and if a helping hand be not extended now to the Dewaun and make Dewaun Jaghires (with a warning against future Extravagance) these Jaghires granted in recognition of eminent public services - Spoken of in such high terms by the Duke of Wellington, will soon pass into the hands of Creditors -

II I cannot recommend that public money should be advanced to the Jaghirdars without interest but I would strongly recommend that -

(1) Whatever money is required to discharge legal mortgages on the Jaghires be lent by the State on a reasonable rate of interest, say 5% or 6% -

(2) Till Satisfaction of this debt Government do assume temporary management of the Jaghires and introduce a Survey and Settlement therein leaving Dumya and Batta Lands & houses in the possession

by the money assessment or Sewarna Dayas, the Government pay itself the principal and interest of the money lent.

(4) After full satisfaction of the debt in this manner or by other payments, if any may by the Jaghirdar the Villages be restored to them. and (5) During Government management the Jaghirdar may retain possession of Pranuja and Battaji land, paying on account of them the usual money assessment chargeable on them were they in the occupation of others.

III If these arrangements are agreed to, I would lend them as much as would clear existing encumbrances of a binding and legal character but not exceeding ten times the net annual payment which it is probable Government would receive from the revenues-

IV In the case of Lakshman Rao Jaghire, I don't think the State should give the 20,000 Rupees asked for by them. I would give Rs. 16,000 at 5 or 6% interest and stipulate for a minimum annual repayment of Rupees 1800

V The accompanying Statement shows that the present Sewarna dayam will Completely Cover such annual payment and till Government debts-

y Can get for the Jaghire Pattayi and Rayapa

VI At 5% interest the debt will be discharged in 14½ years and at 6% interest in 13¾ years.

VII As an investment the transaction proposed is most favorable to Government as the security most ample. But I do not of course recommend it merely as an investment.

To

The Chief Secretary to the Dewan of Mysore,

SIR,

With reference to Government Proceedings camp No. 339-41 dated 6th June 1893, authorizing the grant of a loan of Rs 22000/- to musahib Rama Rao, Jahagirdar of Kaniyanur, etc, I have the honor to state that I called upon Rama Rao and his creditor Sahukar Thimmapiya to produce accounts and papers relating to the mortgage of the Jahagir villages with the latter and examined the same. I found that the debts due, the payments made and the balance to be discharged, stood as noted in the annexed statement No. 1. To meet this and the other charges upon the Jahagir villages (vide enclosed statement No. 2), the present loan of Rs 22000/- was evidently insufficient and the same was explained to the Sahukar in view to induce

induce him to remit a portion of the interest. The accounts showed that against the principal amount of Rs 19300/- borrowed on the security of the Jahagir villages and of Rama Rao's house in the Fort of Mysore, Rs 16996-12-9 had been already paid towards interest and that a further sum of Rs 3840/- and odd, was still due on account of the same up to date. The Sahukar after some hesitation agreed to remit Rs 1540/-. I accordingly took a preliminary agreement from Rama Rao and his eldest son and a muchalika from the Sahukar with all the documents and paid him on the spot Rs 21,600/- in full settlement of his dues, as he is the only creditor that had a lien on the villages in question

In regard to the settlement of the claims under decrees etc amounting to about Rs 4255/- I beg to state that the balance left in hand is small being only Rs 400/- and more funds are required. I have therefore to recommend that Government may be

be pleased to sanction a further loan of Rs 3000/- to Rama Rao making a total sum of Rs 25000/-. The uncollected balance from the income of Inam villages, amounts to about Rs 2420/- which on collection may be credited to the debt.

As security for the additional loan, I propose taking the house released by the Sahukkar in mortgage and shall have a formal deed executed on receipt of orders. The house may be valued at more than Rs 3000/-

I have the honor to be,

Your most obedient Servant,

SIR,

In Government Proceedings Camp
No: 339-41 (5) dated 6 June 1893 and No:
176 (9) dated 10 November 1893, a loan of
Rs 25000 was ordered to be granted to
Musahib Rama Rao on the mortgage
of his jaghir villages of Kanenur &c
with a direction that it was to be
seen that the amount lent was
actually applied for the full dis-
charge of the encumbrances on the
jaghir villages. A total sum of
Rs 23963-13-4 was lent to Rama
Rao up to 16 April 1895 for clear-
ing the encumbrances. In a case

case of arrears of allowance payable from the Jaghir revenues to the heirs of Lanamamma daughter of Siva Row, the elder brother of Musahib Rama Rao, a sum of Rs 880 at Rs 220 per annum for 4 years from 1889-90 to 1892-93 was admitted to be due but the claim could not be discharged as there was then no one to represent the minors legally. Narayana Rao son-in-law of Sanamamma who has since obtained letters of administration on behalf of the minors now claims the amount. The loan account of Rama Rao was practically closed in April 1895 and intimated to Comptroller. Orders are therefore now solicited regarding the payment of the present claim of Rs 880 which with the sum previously advanced

advanced will be Rs 24,843-13-4 i.e. within the loan of Rs 25000 granted by Government.

2. The application of NarayanaRao and the Statement of Musahib RamaRao are submitted herewith for perusal.—

Sir,

In reply to your docket no 7 dated 28-7-1902
1968 / 27.51.97 of the 10th June 1902, calling for a report
on the petition of Lusahib, Mr. Rama Das, for the grant of an additional loan (and subsequent reminders, as per margin), I have the honor to State as follows:—

R. 1241 / 27.51.97
R. 1274 dt. 24-9-1902
R. 1674 dt. 18-10-1902
R. 2188 dt. 18-11-1902
27.51.97

2 Mr. Rama Das borrowed a Sum of Rupees 25,000 from Government in the year 1893 as sanctioned in Government Proceedings nos: 339-41 and 176-8 dated the 6th June and the 10th November 1893 respectively, on the 1st mortgage of his Inam

villages &c. A copy of the mortgage deed (made from a copy kept in this office for reference) executed by Mr. Rama Row and his eldest son Bhimo Row in this behalf is herein enclosed for information

3 A Statement received from the Comptroller, shows that a sum of Rupees c—
18,612-13-5 was due to Government from Mr. Rama Row on the 30th June 1901. This c—
account, however, did not tally with the account mentioned in the Statement received from the Treasury officer of this district with his docket no 73 dated the 17th July 1902. The Comptroller has therefore been requested to furnish correct figures up to date. The exact amount due to Govern—ment from the petitioners will be intimated soon after a reply is received from the Comptroller.

4 Mr Rama Row has furnished a list shewing the amounts paid by him

towards the liquidation of the debt from time to time and the same is herewith submitted, in original, for information. He is, however, not able to say how much of this amount has been credited towards principle and interest respectively.

5. In his petition submitted to Government, Mr. Rama Rao requests that a further loan of 8000 Rupees may be advanced to him on the security of the properties already mortgaged by him to Government, and if that cannot be done, he begs that the payment by annual instalments towards the principle amount may be excused for a period of five years. He has now presented a statement to this office shewing the amounts of debts due from him up to date, and prays that the additional loan asked for by him may be given on the further security of his wet lands in the village of Bannur in the T. Narsipur Taluk, if the security already

furnished be deemed insufficient. The Statement "C", herewith submitted, shews the amounts due by him. The Statements A & B (herewith submitted) shew the receipts and disbursements respectively of the Inam Villages in question.

6 It will be seen from the copy of the bond, herein enclosed, that the Inamdar agreed to place the mortgaged villages under Government management, but the villages have not been so placed under Government management up to date. I have not been able to find out why the terms of the bond were not enforced. A further report will be made on the subject after needful enquiry.

7 Mr Rama Rao has not been regular in paying the annual instalments according to the terms stipulated in the deed. According to the Statement received from the Comptroller a Sum of Rupees 4944-2-4 was due from him on account of the

principle up to the end of June 1901. As a
relation received with your dispatch under
reply is herewith reclaimed.

I have the honor to be

Sir

Your most obedient Servant.

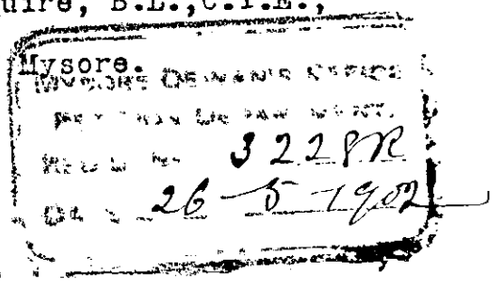
Dewan of Mysore.



Most Respected Sir,

The undersigned Musaheb Rama Rao, son of Bukshi Bheema Rao, respectfully begs to ~~bring~~ lay the following before your honour with the hope of finding a kind and generous consideration.

He begs to submit that after getting a loan of Rs.25,000 from the Government to clear all encumberances in 1893, hypothicating his Jahagir villages, unfortunately a debt of Rs.4000 had to be incurred for the marriages of his granddaughters and other unavoidable requirements of the family.

As the revenue collection from the Jahagir lands had to be regularly paid both for the Government dues and as well as to other persons interested in the Jahagir, there has been no way to discharge the above debts Rs.4000; consequently the debt nearly doubled itself during the last six years.

Had it not been for the timely help given by the Government in 1893, the Jahagir villages would have been by this time in the enjoyment of the creditors; for which he and his family are ever indebted to Government.

A sum of Rs.17,000 has been paid to the Government during the last 7 years out of which deducting for the interest, a sum of Rs.10,000 has been paid up towards the principal and the original amount of Rs.25,000 has now been reduced to about Rs.15,000.

As personally represented the undersigned sees no means of discharging the above mentioned debt of Rs.8000 for which a high rate of interest (15 per cent per annum) has to be paid and therefore requests that your honour will be pleased to order for a loan of Rs.8000 which together with the

Dated Mysore 26 Sepbr 1903.

To

B. K. Venkataravada Iyengar Esquire
Secretary to the Government
of H. H. the Maharaja of Mysore
Genl & Rev: Department.

Sir

Adverting to your docket nos:
J. L 1645 dated the 31st march 1903 and
subsequent reminder no R 502 / Rev. 15-1897 dated
The 3rd September 1903 thereon in re the
exact amount recovered from Mu-
Saheb Mr Rama Rao towards the loan
advanced to him by Government ve I
have the honor to state as follows:—

As regards the repayments
made by the Inamdar towards the
loan, Mr Rama Rao has now produced
a memo showing the several sums
paid by him to the District and Taluk
Treasuries from time to time towards
the discharge of the annual interest and
the principal of the loan obtained by him.

Extracts

932

Extracts from the said memo are forwarded to the District and Taluk Treasury Officers concerned for verification and early return.

The Inamdar prays for the grant of a further loan of about five thousand Rupees to enable him to pay up his other creditors, and offers to give further security if required, in addition to the Inam villages already mortgaged to Government. This question is pending before Government.

As regards the arrears of instalments of Rs. 7418-15-4 towards principal and Rs 5-10-4 towards interest, mentioned in Government Proceedings No: H 1494-6 G.I Dis 25-02-2 dated the 10th September 1904, as being due from the Inamdar up to the end of June 1903, Dr. Rama Rao is not in a position to say whether the balance is correct as the details of the appropriation of the amounts paid by him from time to time have not been furnished to him. This will be done after the completion of the personal ledger in this office. The Inamdar adds

that

that the delay in payment of the above arrears is due to the non-receipt of the Toddy Revenue of the Inam villages in question from Government, and if the arrears of the toddy revenue for the past 8 or 10 years be ordered to be paid, the same will be utilized towards the liquidation of a major portion of the balance shown against him.

The Inamdars claim to the toddy revenue of the said villages is still under enquiry and a report will be shortly submitted to Government for orders.

As per terms of the mortgage deed, the Inamdars should have placed the Jahagir villages under the management of the Government with effect from the 15th day of November 1894, so that the Government might administer the revenues thereof and pay itself the yearly instalment of not less than Rupees 2500/- out of the net annual revenue of the Jahagir villages, towards the discharge of the interest on the loan and the reduction of the principal, and also to continue to do so till such time as the Government dues shall have been fully liquidated.

But

But on the application of Mutalik Mr. Rama Rao,
The then Deputy Commissioner has permitted
The Inamdar to do the collection work him-
-self and pay the annual instalment to
The Taluk Treasury. A Copy of the original
Kararse order no: 278 dated the 12th may 1894
produced by the Inamdars is herewith
submitted for reference. In the year 1895,
Inamdar Mr. Rama Rao was empowered to
exercise the power specified in clause (b)
of section 99 of the Land Revenue Code with
respect to the Inam villages mortgaged to Govern-
-ment. vide Government Proceedings No:
9538-R 3679 dated the 16th April 1896. The
Inamdar now states that he is ready to
put the Government in possession of the
mortgaged Inam villages. On receipt of
Government orders needful instruction
will be issued to the Amildar of the Nanjangud
Taluk.

The Statement given by Mr. Rama
Rao, dated 19th September 1901 and a Copy of
Government Proceedings No: 9538-R. 3679 dated
The 16th April 1896 referred to therein are also
herewith submitted for reference.

I have the honor to be,
Sir,
your most Obedient Servant.

To,

The Mysore District Treasury Officer,
Mysore District.

Dated: 27.6.05

No. 3020.

It having come to notice that there is no uniformity of practice in crediting, in the Treasury accounts, the amounts of Revenue derived from the Inam Village under Government management in this District, and that, in the District Treasury itself, the classification of such sums is not properly understood, resulting thereby in the erroneous credits, leading to needless Correspondence in the matter, has the honor to issue the following instructions for the guidance of the Mysore District Treasury and for the issue, from the Treasury Department, of such instructions to the Sub Treasuries

Treasuries as will ensure correct classification of the sums in question in the Treasury accounts.

2. There are many Inam villages in this Province under Government management. These can be divided into two classes, viz Encumbered Jahgirs and Private Estates under Government management.

3. The Encumbered Jahgirs include those Inam villages under Government management on the security of which the Government have advanced a loan to their holders, and the Private Estates relate to other villages, not falling under the above class, that have come under Government management for other reasons.

4. The Treasury accounts also provide for separate Credits being shewn of the ~~ac~~ amounts falling under these two classes, the sums

relating to the first being regarded as Repayments towards the Loans and Advances, and those relating to the second as deposits. vide Treasury Account Form No. 21. 2. page 19 (19 Other deposits 4 Private estates under Government management) and page 21 (25 Advances and Loans 2 Loans to Encumbered Jahgirdars)

5. Any doubt as to which of the two heads a certain amount has to be Credited in the Treasury, should be referred to this office for Solution.

6. To facilitate the above Classification a list is enclosed for reference, Shewing the Villages Considered as encumbered Jahgirs under Government management, and other particulars Relating thereto. The Revenue derived from these Villages should be Credited under the head. "Loans to Encumbered Jahgirdars." All other Villages under Government management not

Specified

Specified in the above are deemed as Private estates, and their Revenue Should be credited to Deposits under the Sub heads above pointed out.

7. The apportionment of this amount under Principal and interest will be made in this office in Communication with the Comptroller, and so the Same need not be made either in the District Treasury, or in the Taluk. It is Enough if the Amount is Shewn under the proper head.

8. As, however, numerous errors have already been discovered into the Loan account of the Encumbered Jaghirdars owing to Such Amounts having been credited into the District Treasury under wrong heads, it is essential that Credit of these Inam villages, as appear in the Taluk "C" accounts from the date of the assumption of the management of these villages, Should be called for from the Taluk Treasuries and Scrutinized in the District Treasury, with reference to the

to the District Treasury Accounts as to whether Credits have been brought under their respective heads in the District Treasury also.

9. Before opening in this office a Register such as is contemplated in article 131 of the Civil Account Code, it is necessary to know what amounts have, from time to time, been recovered from these Encumbered Jaghires, and whether they have been properly credited to their accounts.

10. Requests, therefore, that a Statement shewing such sums, dates of their Credit and the head under which they were credited, may be prepared, accompanied by an application to the Comptroller for the alteration in the Treasury Accounts in Cases of erroneous Credits, and submitted to this office not later than a month from this date.

2. All the items except (a) and (b) shown in the accompanying statement tally with the accounts of the Comptroller's office in regard to this Loan. Of the two items above excepted, one of

Rs 1500/- realized in the Nanjangud Taluk Treasury on 15-5-1903 and wrongly credited under "Private estates under Govt management" in the Mysore District Treasury Account has been asked to be transferred to this Loan account. Vide Mysore District Treasury officer's memo No 163 dated 26th August 1905. A reference is therefore made to the Comptroller regarding these differences.

3. In consequence of these two items being brought on to the credit of this account, the calculation of interest as already made in the Comptroller's office will have to be revised and the balance reduced.

SIR,

With reference to your No.Fl:4302/RF51-97 dated 9th Ultimo regarding the account of the loan granted to Musahib Rama Rao, I have the honor to state that the balance, as per books of this office, on 30th June 1904 was Rs.16,718-14-3 and not Rupees 16,839-9-7 as stated by the Deputy Commissioner. This latter figure represents the balance as originally intimated to him by this office in November 1904.

A further adjustment of Rs.120-11-4 made in the accounts for June Final of that year reduced the balance to Rs. 16,718-14-3 which fact was also communicated to him in this office No.6149-84/889 dated 11th April '05 but apparently lost sight of by the Deputy Commissioner.

The balance of the loan account on 30th June '05 which is as stated by the Deputy Commissioner Rs.15,221-9-4 tallys with the registers of this office and is correct.
